

A top-down view of a wooden desk. On the right is a silver laptop with a black keyboard. In the bottom center is a white ceramic cup filled with dark coffee. Scattered on the left and top are several white receipts with black text and barcodes. A semi-transparent tan rectangle is overlaid in the center, containing text.

# Freelance Tax Filing & Expense Advisor Slide

Get your tax filing questions answered on the spot

# Why We Need It-The 3 Common Struggles Freelancers Face

Even when anxious, I can't talk to anyone

→ The barrier of thinking, "It's not worth asking a tax accountant..."

Whether it's an expense or not is ambiguous

→ "What counts as an expense?" —such uncertainties

Document preparation is difficult

→ "Bookkeeping, ledgers... I don't understand what they mean."

# Our Solution—We can truly solve that problem right then and there.

Resolve your tax concerns on the spot.

→ Complex terms explained simply

→ Instant responses

→ Guidance from document preparation to tax savings

Before:

“Is this an expense?”

“What do I need to do for my tax return?”

After:

→ Immediate response: “It's an expense. The reason is ○○.”

→ Guided process: “Just submit the documents following these steps.”

# What You Can Do -Four Features to Support You

## Basic Knowledge of Tax Filing

Explaining the Differences Between Blue and White Tax Returns, Required Documents, and Deadlines

## Expense Judgment Support

Clarify items where eligibility as an expense is uncertain and provide advice on receipt management.

## Bookkeeping & Journal Entry Guide

Support ranging from bookkeeping methods to accounting software usage

## Tax Savings & Templates

Presentation of tax-saving ideas and generation of monthly templates and checklists

# Who It's For

## First-time filing

I made 50,000 yen from my side hustle, but do I need to file a tax return...?

## Self-managed accounting

I'd like to try keeping my own books without a tax accountant, but I'm also a bit uneasy.

## home-based worker

Working from home as a freelancer. Expense decisions are always a gray area.

## Concerns about tax savings and expenses

Should I keep this receipt? Someone tell me...

# Our Commitment-Even in places unseen, act with integrity and sincerity.

## UX prioritization

Provide concise and warm conversations

## Automatically convert to words that get the message across

We break down technical terms and respond in plain language.

## Legal Risk Considerations

The final decision rests with the tax accountant or tax office, as clearly stated.
